Pavna Signs MoU with Government of Tamil Nadu to Set Up Auto-Components Manufacturing Facility in Shoolagiri

Aligarh, September 17, 2025: Pavna Industries Limited (NSE: PAVNAIND, BSE: 543915), a leading manufacturer of high-quality automotive components catering to diverse vehicle segments including passenger vehicles, two-wheelers, three-wheelers, commercial vehicles, and off-road vehicles, has signed a Memorandum of Understanding (MoU) with the Government of Tamil Nadu (GoTN) to set up a state-of-the-art auto-components manufacturing facility at the Future Mobility Park in Shoolagiri, Krishnagiri District, Tamil Nadu.

As part of the MoU, the Government of Tamil Nadu has assured its full support and facilitation for the timely and effective execution of the project. The proposed facility will further enhance Pavna Industries' manufacturing footprint, strengthen its position in the automotive ecosystem, and contribute to the state's vision of advancing as a hub for future mobility solutions.

Commenting on the same Mr. Swapnil Jain, Managing Director, Pavna Industries Limited, said *"We are proud to partner with the Government of Tamil Nadu for this project, which will generate employment, create new opportunities for local talent, and support the state's thriving automotive ecosystem. This initiative is closely aligned with the Make in India vision and underscores Pavna Industries' dedication to nation-building through world-class manufacturing. We value the support extended by the Government of Tamil Nadu in enabling this expansion."*

This investment underscores Pavna Industries' commitment to long-term growth, while generating employment opportunities, promoting advanced manufacturing practices, and supporting the state's vision of becoming a global hub for mobility solutions of the future.

About Pavna Industries Limited:

Pavna Industries Limited, formerly known as Pavna Locks Limited, was incorporated in April 19, 1994. The company is engaged in the business of manufacturing wide range of reliable and high-quality automotive parts for reputed OEMs serving different vehicle segments including passenger vehicles, two-wheelers, three-wheelers, heavy and light commercial vehicles, and off-road vehicles. PAVNA is a well-established company in the South Asian automotive industry, with long history of innovation, technology, manufacturing and market leadership spanning over 50 years.

The Company has its state-of-the-art manufacturing plants located strategically in Aligarh (Uttar Pradesh), Aurangabad (Maharashtra), and Pantnagar (Uttarakhand). The Company's upcoming Plant is located in Hosur (Tamil Nadu). These plants are situated in close proximity to the plants of its OEM customers, allowing for greater interaction and timely response to their requirements. It also has diverse range of product portfolio which includes Ignition Switches, Fuel Tank Caps, Latches, Auto Locks, Switches, Oil Pump, Throttle Body, Fuel Cocks, Casting Components, and more. The Company has wide presence in the domestic as well as export markets, exporting to several countries like Italy, Sri Lanka, Indonesia, Sudan, U.S.A. and Bangladesh. Apart from this the Company is also focused on customer centric approach catering to various esteemed Companies in the industry like Bajaj, Kawasaki, Honda, TVS, Mahindra, Escorts, Royal Enfield, Ashok Leyland, Mahindra Wheels, Eicher Motors, Tork Motors, Revolt, Mahindra Electric, etc.

PAVNA is committed to providing its customers with the latest and most innovative products, which is why the Company undertakes extensive research and development activities. The focus is on enhancing product portfolio, improving the quality of products, and upgrading the manufacturing processes. This is achieved through a combination of in-house R&D capabilities, as well as joint ventures and technical collaborations with partners such as Sunworld Moto Industrial Co, an Indo-Taiwan joint venture Company.

The Company's goal is to continuously strive towards technological advancement and innovation, while keeping customers' needs at the forefront of everything the Company does.
